

Special sailing trips in the Algarve

Portugal service offers you special sailing trips on classic sailing yachts in the Algarve! From the 44-foot Laurent Giles vintage yacht (vintage 1938) to the 177-foot sail schooner with spacious cabins and a comfort "à la croisière", the spectrum offered is enough!

Whether you are a couple, a group or a family sailing a yacht on your own or enjoy it simply on a big sailing yacht, we offer unforgettable experiences and a professional (multilingual) crew with all around support ...

You do not need a sailing experience, just joy to discovering and enjoying!

Vintage Yacht "Greetings"

"Greetings" is a completely wooden built vintage yacht from 1938, which could be comprehensively restored. The interiors have been adapted to today's comfort, but the style and charm of this classic boat has been preserved. "Greetings" is run by experienced skippers. Special sailing experiences await you on board at the vintage sailing yacht!

"Greetings" sails exclusive on the Algarve coast and is ideal for families and couples, as the yacht can be exclusive for yourself. It can accommodate up to 8 guests.
